

Billy Blue

Billy Blue is the only graphic design school in Australia that practises what it teaches!

“The Billy Blue Curriculum allows you to work in every part of the Design industry. It is Billy Blue’s belief that the traditional fences dividing industries are disappearing quickly as more people change from one industry category to another. The Billy Blue course gives you this flexibility.”

Established: 1987

Location: North Sydney (a few kilometres across the Harbour from Sydney City)

Students: 90

School of Graphic Design:

Diploma of Graphic Design. (1 Year)
